Product Description

Ariens Path-Pro 208 Electric Start Snow Blower w/ Remote Chute

Up to 9" of snow is no problem for the Path-Pro Series with its reinforced rubber paddles and adjustable scraper bar. This single-stage snow blower features a tireless Ariens® AX engine that efficiently plows through drifts. Have a limited amount of storage space? Its folding handlebar allows it to fit in compact spaces. The Path-Pro puts snow in its final resting place.

- Easy push-button electric start 208cc OHV engine
 - High-performance auger-propelled drive system allows you to move at your own speed
 - Blows snow up to 35', Tall housing height, Folding handlebars for easy storage
-
