Product Description

Troy-Bilt Mustang DD 208cc 18" Rear Tine Tiller

The Troy-Bilt Mustang™ dual-direction rear-tine tiller lets you choose the tine direction based on your soil conditions or garden size. The counter-rotating tines are great for digging into hard soil, while the forward-rotating tines work well in softer ground and established beds. With an 18-inch tilling width, this tiller provides a wide reach for your gardening needs.

- 18" tilling width makes the Mustang™ DD ideal for medium-to-large-size gardens.
 - Power reverse and 16" ag tires are designed to for flexible handling around rocks and other obstacles.
 - Powered by a 208cc OHV Troy-Bilt engine with 1 forward speed to help create finely milled, well-aerated soil.
 - 13" steel tines turn soil up to 7.5" deep with depth stake assistance.
-
